

## The Alliance Programme

*Helping the unemployed move closer to the work place.*

Are you experiencing multiple barriers preventing you from getting back to work? We understand many people have a wide range of needs.

### How it works

Each participant will be provided with one-to-one support with a dedicated support worker. Support workers will work with participants to help plan their progress and overcome barriers to getting into work. External interventions will focus around six themes...

DIGITAL INCLUSION,  
FINANCIAL CAPABILITY,
